CROYDE MOBILE INFANT FEEDING CHAIR

The Mobile Infant Feeding Chair is a bespoke feeding chair that optimises comfort for Mothers during infant feeding.

The Croyde Mobile Infant Feeding Chair has been designed with comfort in mind for the mother.

Its deep foam cushioning paired with adjustable arm rests, reclinable back rest and modern colours can make feeding as comfortable as possible.

Also available as extras are a head rest, lumbar support cushion, three foot stools options with or without castors, and an ergonomic foot rest.

ADJUSTABLE ARM RESTS

The wide, padded armrests are height adjustable and can be angled inwards or outwards to find the optimum support position for the arms for maximum comfort.

MOBILE

Fitted with four lockable castors, this chair is easy to transport between rooms by just one person making it easy to set up and use.

The chair is lightweight and can be moved with ease.

ADDITIONAL EXTRAS

Matching head rest and lumbar support for the colour of your choosing. Choose between anthracite (brown), limone (lime green), salmon (red), sky (blue), and yellow.

Three versions of soft foot stools are also available, including a static one, a mobile one, and a mobile one with locking castors.

For even more comfort, we offer an ergonomic foot rest in addition to the upholstered foot stools.
