DULLSTEIN BIRTH STOOL

The Dullstein Birth Stool is a stool intended to support upright and active birth.

The Dullstein Birth Stool is a crescent shaped stool designed to support mothers during upright and active births.

The stool is easy to clean and comes in three different colour options.

It is lightweight, comfortable, and compatible with other Croyde birth systems.

LIGHTWEIGHT AND EASY TO CLEAN

The Dullstein Birth Stool is incredibly lightweight for easy of movement.

The seams are sealed to prevent fluid seepage and make cleaning easier and quicker.

The stool can hold a maximum working load of 135kg.

COLOUR AND HEIGHT OPTIONS

The Dullstein Birth Stool is available in three colours: mais (yellow), apricot or blue.

There is also an option of a height of 33cm or 38cm.

OPTIONAL EXTRAS AND COMPATIBILITY

The Dullstein Birth Stool is perfectly compatible with other birth systems in the Croyde range. We would recommend the Multitrac, Duoetto, and Variotrac rope systems.

As an optional extra, a matching floor mat or inlay mat can provide extra comfort for patients using the stool.
